Introduction to Business Solutions

At Diversey we aim to understand your business and know that it's got to be first time right. This is why we have introduced a new product range, called 'Business Solutions'. The range consists of products which targets the truly professional business needs coupled with well known and trusted brands. By giving you excellent cleaning results, you can focus on your core business such as serving your guests or caring for your patients.

Powerful cleaning of washrooms

With Diversey's Cif and Domestos range of washroom cleaners, you can be sure that the washroom is always kept sparkling, aesthetically pleasing and hygienically clean. The complete cleaners range consists of products for daily cleaning, periodical cleaning, as well as unique problem solvers for all types of cleaning needs.
