

C188 : WASHROOM CLEANER

All purpose eco-friendly washroom cleaner

Description of product

General washroom cleaner for all hard surfaces within the washroom. Cleans rapidly and effectively, whilst controlling and preventing the build up of lime scale.

Product Uses

For the regular cleaning of ceramics, painted surfaces, stainless steel, floors, all non-porous surfaces in hotels, sports complexes, conference centres, institutions etc. Use throughout the washroom on washbasins, mirrors and stainless steel urinals.

Directions

For regular cleaning dilute with 50 parts warm or cold water and use with a mop or cloth. Can be used neat for body fat and limescale removal in baths, showers, sinks and taps. Simply wipe or brush on and rinse off. Proper dosage saves costs and minimises environmental impacts

iN Insight Supported

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

iN Insight recommended product uses

Washroom - cleaning and/or sanitising
Washroom - damp mopping

typical dilution
1 : 40
see label
