AIR FRESHENER GELS

Odour Counteracting Gels

Our Air Freshener Gels are a variety of long lasting, odour counteracting fragrances which are the subtle way of maintaining a fresh, odour free environment.

Available in a variety of fragrances to provide relief against tobacco and urine smells, which, if left unchecked, can linger for a long time.

Can be used in a variety of environments to slowly and steadily release a subtle fragrance into the room.

- Long lasting fragrance
- Available in a variety of scents
- Simple and economical to use
- Can be used in a variety of environments

PACKAGING

Order Code: ELLG (Citrus) Order Code: ELLGF (Floral) Order Code: ELLGM (Marine) Pack Size: 12 x 70g gels

STORAGE

Store original sealed container in cool, dry conditions away from direct sunlight.

Keep out of the reach of children.

DIRECTIONS

Peel label off front of the gel and place in the corner of the room for long lasting fragrance.

The Air Freshener Gels will start to dry out as soon as the label is peeled off, and the fragrance will start to deteriorate depending on the surrounding environment.

For longer lasting fragrance, leave in a moist area or room.
