

CV11 - Cooling Crown Beanie

Collection: Cooling Accessories

Range: Cooling Range

Shell Fabric: 100% Polyester, Bird Eye Knit 140g

Filling Fabric: Super Absorbent Fibres 160g

Product information

Comfortable and lightweight, the Cooling Crown Beanie is designed to help prevent heat stress and includes an elasticated back for improved fit. Can be worn under any helmet or hat without compromising mobility while offering hours of cooling comfort.

Cooling Accessories

Portwest evaporative cooling products are constructed from an innovative PVA multi layered fabric which uses a unique polymer chemistry. Simply activate by soaking in water creating a chemical reaction within the fabric which enables the garments to act like a sponge; retaining water, keeping the body cool in hot weather conditions.

Cooling Range

This innovative range offers a comprehensive selection of products to help minimise the risk of heat stress and UV rays.

Features

- Lightweight and comfortable
- Elasticated back panel
- Keeps wearer cool for up to 8 hours
- Wicking, cooling and drying capabilities
- Soak in water to activate
